Subject: Provision of Grit Bins, Ledbury

Good Afternoon,

I believe Ledbury Town Council have had ongoing discussions with my colleagues regarding the provision of grit bins?

To confirm the position of Balfour Beatty and Hereford Council with regard to grit bins, town/parish councils can purchase new grit bins either through Balfour Beatty or independently. If purchased through Balfour Beatty the grit bins will be filled on delivery but following this, maintenance of the asset (including refilling) would be the responsibility of the town/parish council. This is due to additional bins being over and above what is required on the network.

If the purchase of additional grit bins through Balfour Beatty would be of interest then please let us know, with any requests sent to communities@balfourbeatty.com.

Kind regards,

Carys
