Tracey

As per the Agreement we have previously received, I am contacting you to update you.

The roundabout has been seeded with grass following initial tidying works. We will maintain the grass until we are able to plant in October (as this is the appropriate time to be planting the required trees/bulbs etc).

In the Agreement it was mentioned that we had to advise you of any update to the plans. I am therefore attaching a new planting scheme. In essence the grass, maintenance and flower/bulb planting remains the same – however instead of birch trees we propose to plant Pyrus trees. For this reason, I am attaching the amended planting scheme for your approval.

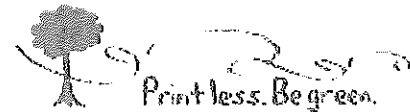

Many thanks in advance.

Michelle

The logo for Haygrove, featuring the word "Haygrove" in a stylized serif font with a decorative flourish above the 'y'.
