

Update Report - for information.

Closed Churchyard

Rebuild of the last section of the boundary wall has been suspended until an interim faculty has been obtained.

Recreation Ground

The new zip wire and a wheel chair accessible roundabout has been installed along with a full set of swings and another hammock swing.

A bin has been installed in between the two benches on the basket ball court which has successfully elevated the amount time spent litter picking by the contractor.

Another bin will soon be installed near the shelter.

Cemetery

The new fence has been installed, see before and after pics.
